The above list has been prepared after scrutiny of applications received for the current semester and listed as per the RANKING based on marks (50%), family income (15%), improvement shown (15%), parents alive or not (10%), and special consideration (10%) and displayed collegewise. The ranking is revised by including all the applications received in the first list published on 12-7-21 and the applications received thereafter up to the present and Final List.
